Dear *Arunjee*,

Press Council of India being the custodian to safeguard and protect the freedom of the press had made a large number of correspondences with the Reporters without Border with sole objective to understand the ailment and to take remedial steps, if needed but has not received any reply (copies of correspondences enclosed). I have communicated to the RWB that the ranking is not based on any statistical data, but based on opinion/s or perception/s of an individual or group of individuals.

Are we not giving undue importance to India's ranking in the freedom index published by the Reporters Without Borders?

With regards,

Yours Sincerely,

(Chandramauli Kumar Prasad)

Mr. Arun Jaitley
Hon'ble Minister of Information and Broadcasting
Ministry of Information and Broadcasting
